Dear Parent/Carer

In order to improve school to home communication we would like to email all school correspondence to parents by email. This will be more environmentally friendly and will also reduce the risk of letters being lost or misplaced and ensure that both parents can receive communication. This may be particularly useful for parents who work away or live separately.

Any communication that requires parental permission and signatures will still be sent as a paper copy. If you do not have an email account, you can request paper copies.

Please complete and return the slip below by Thursday 29th March so that we can set the system up to begin on Monday 16th April 2018.

Yours sincerely

A handwritten signature in black ink that reads "Julia Howse".
